

# The Fingerstall Company

## Guide to finger and thumb stall sizes

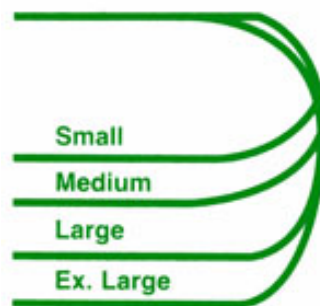

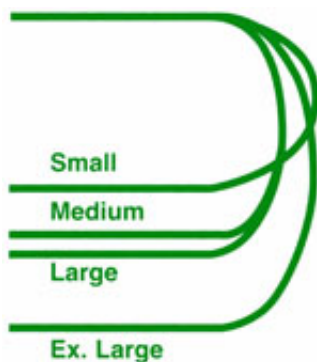

To find the size you need, print this page. Then place your finger or thumb, with the dressing if appropriate, onto the relevant guide.\*

**THUMB**

**FINGER**

— 50 mm —

*\*Please note that this guide should be printed at 100% to ensure accuracy. Just above is a 50mm scale. Check this to ensure that your print is the correct size. If not; check your browser's Print Preview or your Printers document properties and adjust to 100%.*
